CEE Network Meeting

For organisers of intercultural Exchange projects

D-F-PL-SK-LT-LV-EST-UA

The Network:

Our Central and Eastern European (CEE) Network, coordinated by Europa Direkt Institute in cooperation with the Franco-German Youth Office (FGYO), brings together youth work organisations from Germany, France, Poland, Lithuania, Latvia, Estonia, Slovakia and Ukraine. The network aims to strengthen cooperation among youth organisations across the region, expand opportunities for international youth exchanges, and enhance the quality and impact of intercultural learning projects.

Our annual network meetings provide a platform for building relationships, developing joint project ideas, exchanging experiences and discussing key pedagogical, organisational and political issues affecting youth work today. They also serve as a valuable source of inspiration, helping participants shape future projects and enrich their everyday practice.
